

US Federation of the Sisters of Saint Joseph

Vocation/Formation Directors' Program

A Program of the Initial Formation Committee

April 10-12, 2008

The program begins with supper on Thursday and ends in the evening on Saturday. Travel should be planned for Sunday, April 13.

St. Joseph's Villa
Hampton Bays, Long Island, NY

The focus of this program,
which occurs in alternating years with *Gathering the Daughters*,
is to provide time and processes
for the Vocation and Formation Directors
to share experience,
plan for the future,
collaborate,
and support one another.

A primary focus at this gathering will be work with the survey which was sent to new members, formative communities, leaders, and directors to learn something about the gaps between vocation/formation experiences and the lived reality in our congregations/provinces.
